Courses offered

B.B.A - Bachelor of Business Administration

B.Com - Bachelor of Commerce

B.C.A - Bachelor of Computer Applications

From the Principal's Desk....

On the Path of Academic Excellence

“The aim of education is not the acquisition of information, although important; or acquisition of technical skills, though essential in modern society, but the development of that bent of mind, attitude of reason, that spirit of democracy which will make us responsible citizens”.

- Dr. Radhakrishnan

Dear Students, Welcome to Darshan College, an abode of wisdom and knowledge. As you commence another stage of your academics, we wish you all the very best. As you glance through this prospectus it will open up new horizons of your dreams and visions. As you cross the threshold, may the new portals of our College offer you an experience which goes beyond mere learning. We are sure that you will push the boundaries and explore the possibilities so that you tell in a determined manner to yourself that you are born to win and born to excel as the future leader of our Nation and of the Globe. Academics and discipline, both are equally important to develop your character and personality. All the events, activities, seminars, conferences are directed towards your progress. Darshan College is committed to materialize all your dreams and aspirations. The best infrastructure that we have, the qualified and efficient faculty, all the curricular and co-curricular activities that we organize are in view of forming you to be competent in all spheres of life. The Education and holistic formation imparted in Darshan College will mould you to achieve your goal on the right path persevering in faith.

As you choose to walk your journey of life in our institution, which has a dynamic ambiance and a healthy environment, be constructive, be creative and be committed, for you will see yourself transformed with a new learning experience and develop your progressive skills. Our highly educated, experienced and motivated staff along with committed team of management will implement the most validated methods and means of Teaching Learning Process to provide the quality education and academic excellence to be at par with our motto: “to educate, to empower, to explore and to excel.” Be inspired, be imaginative, be innovative at Darshan College. With best wishes & warm welcome.

Rev. Fr Joy D'Souza
Principal
Darshan College

St Anthony's Institutions: The Ideal of St Anthony of Padua

St Anthony of Padua is a Portuguese Catholic Saint, born in 1195. Born in a very rich family of nobility, he wanted to be a popular man, in the eyes of the world. Hence, his family arranged sound education for him at the local cathedral school. But God's plan was different. Against the wish of his family, Anthony entered the Augustinian Abbey of St Vincent on the outskirts of Lisbon. He studied Scripture and Latin classics.

After his ordination to priesthood, Anthony was strongly attracted to the simple Gospel lifestyle of the Franciscan friars. In February 1220, news arrived that five Franciscans had been martyred in Morocco. Anthony meditated on the heroism of these Franciscans. He wanted to obey God's call to leave everything and follow him.

In the Franciscan Order, he became a popular preacher of the Gospel. At the Papal court, his preaching was hailed as a "Jewel case of the Bible". Saint Anthony died on 13 June, 1231 at the age of 36. When he passed away, it is said that the children cried in the streets and that all the bells of the churches rang on their own accord, rung by angels come to earth to honor the death of the Saint. He is known to have become the "quickest" saint in the history of the Catholic Church. St Anthony of Padua is also known as 'Miracle Worker'. People plead for his intercession in times of difficulty. May St Anthony intercede for us and God bless our Institution.

A glimpse of St Anthony's Institutions

"A Unique Campus for Quality Education & Academic Excellence"

St Anthony's Institutions (Darshan College) Bengaluru, is run by the Capuchin Franciscan Fathers of the Holy Trinity Province of Karnataka. It was established in 2009 with a view to provide the best in academics for students in Commerce, Computers, Business Management and Administration by preparing them to qualify and succeed in various highly competitive career streams. The Institutions include St Anthony's Pre-University College, Darshan College of Commerce and Management and Darshan College Hostel. It is a home away from home, with excellent hostel facilities, infrastructure and dedicated teaching staff who mould, mend and form the future of the Nation and of the Globe. It has a learning environment and a fraternal ambiance where one feels welcomed and comfortable. It is an institution which treats everyone equally with respect and honor regardless of gender, religion, ethnic origin and nationality. The Education imparted in this institute is an ongoing process and continuous commitment for the emancipation of the humankind. Hence it nurtures, invests, cultivates and develops young minds and their talents so that the future generation remains always creative, innovative and responsible for the economic and social growth of the Nation and of the Globe.

"An abode of wisdom that ensures HOLISTIC DEVELOPMENT to the Leaders of Tomorrow..."

MOTTO

Jnanenaiva Vimukti Liberation through Enlightenment

CORE VALUES

Faith in God; Respect for Life; Moral Uprightness; Social Responsibility; Pursuit of Excellence.

VISION

Empowering youth towards Excellence through Holistic Education.

MISSION

To enable the Students to become responsible global citizens with their dynamic personality, intrinsic reverence for life and a passionate love for learning.

Darshan College

Darshan College is affiliated to the Bangalore University and offers under graduate programs in BBA, B.Com, and BCA. The college is centrally located with adequate civic amenities. The class rooms are spacious, well ventilated and are equipped with LCD projectors. Working alongside with Pre-University College, the buildings have altogether 28 class rooms along with Business Lab, Computer Lab, Electronic Lab, Library, Ladies Rest Room. The college has about 9 acres of vast land in view of allowing students a nature friendly atmosphere, which is essential for study and reflection. The college also has spacious grounds for students to develop their sporting skills.

The unique feature of our college is academic excellence and the close rapport between students and teachers. This is brought to our notice time and again in the interaction that the faculty have with students and parents. Therefore, the focus is on promoting academic excellence and maintaining high quality standards. The college also works towards a holistic development of the students' personality. Communication skills and confidence building activities are part of the regular curriculum. Students are encouraged to give regular feedbacks and suitable changes will be incorporated to meet their requirements.

Admission Procedures:

- A candidate seeking admission to BBA, B.Com, BCA courses, after carefully reading the prospectus, should fill-in the admission form (attached to the prospectus) legibly in capital letters, in the space provided for the purpose.
- The completed application forms must thereby be submitted to the college office in person.
- The eligible candidates who meet the admission criteria will be called for a personal interview along with the parents with the principal. The intimation of the call will be done through telephone. Therefore, the students are requested to furnish the correct and working phone numbers in the application forms.
- Remit the Tuition & Administrative fees, Registration and Examination fees at the college office.

Candidates while submitting the Application form shall follow the instructions given below:

The application form duly filled-in should be submitted on or before the last date specified.

- The candidate should submit 10 copies of Passport size and 5 copies of Stamp size photographs of which one must be pasted to the application form.
- Before remitting the prescribed fees please make sure that you fulfill all the eligibility conditions for admission. Enclose all the supporting certificates, and submitting the same at a later date will not be entertained. The fees once remitted will not be refunded under any circumstances.
- Admission made is provisional till it is approved by the University.
- In all correspondence with the University the candidate shall quote his/her application number, Roll number and the Stream/Programme applied for.
- Darshan College does not collect any donation from students other than the prescribed tuition, administrative, registration, eligibility and examination fees.

BACHELOR OF COMMERCE (B.COM)

▶▶ The course is designed to prepare students with a good grounding in various fields of business studies like advanced Accounting, Financial Management and Corporate Taxation etc. The program equips students with the ability to identify, analyze and solve complex Business problems. The course provides an in-depth knowledge in the chosen area of study enabling the students to become thorough professional. B.Com is the most chosen degree program by the students pursuing various professional courses like CA, ACS, and ICWA etc.

Career Opportunities:

Job opportunities for a B.Com student are available in Banking, Accounting, IT, Business corporations, MNCs and more. Commerce graduates can also opt for further study and their options are MBA, M.Fin. MFM, MFA, M.Com and host of other specializations.

ELIGIBILITY (Indian Students)

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

▶▶ Business Administration Studies give students a complete roundup about running and maintaining a business. Business students are not only taught the basic principles of management as per text books but they are also given real life scenarios to examine and present as cases so that they can bring these principles to life. Business instructors use case studies and hands-on projects to show students how things can go right or wrong depending on how a business is managed. The purpose of most business management programs is to breed future business leaders. Today a good management education makes it possible to be successful to attend an interview for a mid or upper level position.

Career Opportunities:

MBA is the most desired option after graduating out of BBA. Job opportunities are also available in many sectors including, consultancies, educational institutes, financial organizations, marketing organizations, MNCs and public sector enterprises.

ELIGIBILITY (Indian Students)

Pass in PUC or any other equivalent examination. Students with good communication skills are preferred.

BACHELOR OF COMPUTER APPLICATIONS (BCA)

▶▶ Bachelor of Computer Applications provides a sound academic base from which an advanced career in Computer Applications can be developed. BCA students have a bright future in the IT field as they can take up ample jobs as programmers and grow to become project managers. Fast growing information technology and communication systems have become critical components of almost every company's strategic plan. Companies which want to take advantage of the new information technologies and communication systems require expert professionals who can apply computer science principles to solve problems produced by the interface between business and technology.

BCA paves way for a post-graduation MCA which is always preferred and provides substantial understanding of concepts in key areas of Computer Science and Applications.

Career Opportunities:

BCA students have great career opportunities in Banks, Electronic Equipment Production, Government Agencies, Software Companies, Technical Support, etc. Students can further pursue the education in MCA.

ELIGIBILITY (Indian Students)

Pass in PUC or any other equivalent examination. Students with good communication skills are preferred.

ELIGIBILITY (International Students)

Pass Certificate/Diploma of a Secondary Stage Level Examination (Twelve Years) of any discipline recognized by national level board/council of any country.

(OR)

GCE/JGCSE/GCSE Certification with passes in a minimum of TWO subjects at "O" level & TWO subjects at "A" level with good communicational skills preferred.

Academic Programme

The course of study and syllabus, rules of admission, methods of evaluation and examinations will be according to the norms of Bangalore University to which the college has been affiliated. The Bangalore University will award the Bachelor Degree in Business Administration / Commerce / Computer Applications.

Curricular Programme

The Under-Graduation course is divided into 6 semesters. Each semester comprises of 18 weeks including the period of preparation for semester examination. Right through the semester the student will be evaluated on a continuous basis. There shall be a University examination at the end of each semester. The maximum marks for the University examination in each paper shall be 70. Of the 30 marks of Internal Assessment, 20 marks shall be based on two internal tests. The remaining 10 marks of the internal assessment shall be based on Attendance and skill development record.

Core Subjects

In each semester, core subjects are offered with stipulated hours for each paper. The number of hours is a yardstick to measure the weight age given to a subject. In the sixth semester, students are given a choice of four electives. They may choose to specialize either in Finance, Marketing, Human Resource or Information.

Industry-Technology-Institute Interaction

All BBA students joining the course, in the sixth semester are required to undertake Internship and Project as part of their academic requirement. Internship and Project work enable students to get a practical exposure to the working of the industry. It would also help them to substantiate their classroom learning with practical experience of the corporate world. It is also compulsory for the final year BBA students to go for Industrial visit organized by the College and submit the report.

Language Course

In Semester I, II, III & IV the study of English is compulsory for all. In addition, the student may opt for any of the following languages: Kannada, Hindi or Additional English (Additional English is offered only to those who have not studied any Indian Language at the PU level). Students are also facilitated to take up any Indian Language that is allowed by the Bangalore University.

Attendance

For the purpose of calculating attendance, each semester shall be taken as a unit. A student shall be considered to have satisfied the requirement of attendance for the semester, if he/she has attended not less than 75% in aggregate of the number of working periods in each of the subjects compulsorily. A student who fails to complete the course in the manner stated above shall not be permitted to take the University examination.

Course structure, Scheme of Examination & Regulations

Eligibility

Pass in II PUC Arts / Commerce / Science Examination or 10+2 Equivalent (ICSC, CBSE).

Duration of Degree Courses

Three Academic Years Each year, two semesters – Total six Semesters.

Scheme of examination

At the end of each semester. The maximum marks for the university examination in each paper shall be 70. of the 30 marks of Internal Assessment, 20 marks shall be based on two tests. 10 Marks for Attendance and Skill development Record.

Attendance

Should be minimum of 75% in each Subject.

Discipline

Irregular Attendance justifies dismissal. Use of Cell phones in the class rooms is forbidden. Wearing Uniforms on Mondays, Wednesdays and Saturdays is compulsory. Students should attend the tests, without fail.

Project Report for Final year BBA

The project report in the sixth semester carries 100 marks (70 marks for project report and 30 marks for viva-voce) which shall form part of sixth semester examination.

►► National Service Scheme

The National Service Scheme (NSS) is a programme organized by the Ministry of Education and Youth Service to provide opportunities and training in community service to the nation and fellow-beings. Each student attending the NSS will be required to put in 120 hours of service activity each academic year and they will be expected to maintain a diary showing details of their participation duly countersigned by the NSS Programme Co-Ordinator. A variety of service programmes like Adult Education, Community Welfare, Vegetable Gardening etc., are organized through the NSS. Certificates will be issued to deserving members on the completion of two years of service. Members are expected to participate in all the training programs and camps organized from time to time.

►► National Cadet Corps (NCC)

The National Cadet Corps is the youth wing of Armed Forces with its Headquarters at New Delhi, India. Its motto is 'Unity and Discipline'. It is open to college students on voluntary basis. The Cadets are given basic military training in small arms and parades. Darshan College NCC wing is a unit of 3 Kar Battalion. The Cadets will be awarded Certificate B and C based on their performance. NCC equips students in discipline and nourishes the spirit of patriotism.

►► Red Cross

The International Red Cross and Red Crescent Movement is the largest humanitarian network in the world. Its mission is to alleviate human suffering, protect life and health, and uphold human dignity. Students are encouraged to be a part of this noble organization as volunteers. Under the patronage of this unit various awareness programs are held, blood donation camps are organized and communitarian values are inculcated.

►► **Physical Education & Sports**

Facilities for major games like Basket Ball, Volley Ball, Soccer, American Football, Wrestling, Cricket, Badminton, Tennis, Carom and Chess are provided. Inter-class tournaments will be organized and the winners will be awarded with certificates, medals and cups. The aim is to spot and groom the sports talent, to foster, better human relations through sports and games, to instil in the Students discipline, leadership qualities, courage and the sense of belonging through sports activities, to train the students to receive success and defeat equanimously.

►► **Fine Arts Club**

The fine arts club of the College is formed to unearth the hidden talents in the students and the staff. Those possessing extraordinary skills like singing, playing musical instruments, oratory, quiz participation, etc. are encouraged and motivated to participate in many competitions at Intra and Inter-collegiate, State, and National levels. Our students in yesteryears and yesterdays have won many laurels for the Institution.

►► **Associations & Cells**

The following Associations and Cells are operational in the College:

- | | |
|-------------------------------------|-------------------------------------|
| 1. Commerce Association. | 7. Literature Literary Association. |
| 2. Bank Management Association. | 8. Entrepreneurship Cell |
| 3. Parent Teacher Association. | 9. Women's Cell |
| 4. Alumni Association: "Alma Mater" | 10. Eco-Club |
| 5. Social Interaction Association. | 11. Grievance Cell |
| 6. Computer Science Association. | |

These associations and Cells organize a number of events such as Seminars, Research Paper presentations, Guest lectures, Debates, Industry interaction and various activities to inculcate skill development and practical exposure to the students. In addition to these there are also committees such as Mahatma Gandhi Committee, Dr. B. R. Ambedkar Committee, Swami Vivekananda Committee, Gautama Buddha Committee in order to instil in the students the core values of human existence.

►► **Anti-Ragging Cell**

In conformity with Supreme Court judgments and directions, UGC Guidelines and State Government Instructions, our college is following a 'Zero-Tolerance Policy' towards ragging. Any student of our college accused and found guilty of ragging, will be severely dealt with, in accordance with the Provisions of the Law.

►► Placement Cell

The placement cell is robust with its activities all through the year. We are glad to announce that our students have been placed in top notch companies like Infosys, IBM, Ernst & Young Audit Firm,

ANZ Bank, Accenture, Wipro, Hinduja Global Solutions, Cap Gemini, ICICI Bank, Andhra Bank, ING-Vaisya Bank, Axis Bank, Idea Cellular. The students attend pool campus recruitment held in our college and also at other colleges. To enrich the interview facing skills of our students, we conduct placement workshops and training to boost the confidence of our students.

►► Equal opportunity Cell

An empowered woman is a staunch back bone to build an educated society. Darshan College spares no efforts to educate and empower every girl student by building confidence in them. Through providing equal opportunities for every girl student, the college ensures their active participation in various activities. The cell puts in its best effort not only to ensure the safety of women but also to give a feel to women that if they are firm and courageous, they are the future builders.

►► Personal Counseling and Support

At Darshan College, we want you to enjoy your learning experience. We also realize that from time to time you may need some additional help and support to make most of your learning experience. An experienced team is on hand to help you make the most of the support the college can offer. The college with its staff will also help if you need additional support with your studies.

The fathers (Priests), spiritual animators as we are, along with counselors appointed by the college can provide advice and support for personal issues. These also can talk to you about any additional support you may need either to access learning, or deal with an unexpected situation whilst studying.

FACILITIES

↪ Vast Eco-Friendly Campus

'Green Campus – Healthy Learning'. A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. St Anthony's Institution is proud of its eco-friendly, serene and peaceful environment. The Vast College campus is spread across 6 acres of land, with good infrastructure, playgrounds and nature friendly environment. This provides a healthy ambience in the midst of the city for the Students to develop Green Culture along with Academics.

↪ Well-Furnished and Spacious Classrooms

'A Classroom holds many future leaders, depending on how you train them'. Darshan College is equipped with spacious, well-ventilated and excellently furnished classrooms to make the Students' learning comfortable and enjoyable. Well-furnished spacious classrooms and lecture halls give the Students an exposure to focus on their core competencies. The latest audio-visual and multimedia technology enable the Faculty members to have interactive sessions of teaching which furthermore makes learning easy and interesting.

- ◆ Well-furnished classrooms with a seating capacity of 60 students.
- ◆ Equipped with all advanced facilities like projector, PC, White-Board as teaching aid.
- ◆ Provides an environment which encourages students to do their best and helps them in learning.

➤ **Advanced Laboratories**

Laboratories have been purported to promote a number of goals for students. Interacting with the unconstrained environment of the material world in laboratory experiences helps Students concretely understand the inherent complexity and ambiguity of natural phenomena. As a result of laboratory experiences that make science 'come alive,' Students may become interested in learning more about science and see it as relevant to everyday life. Darshan College has well equipped labs that enable Students to have practical way of understanding the Subject under guidance and supervision.

➤ **Qualified and Dedicated Faculty**

Darshan College has to its credit teaching faculty drawn from the cream of expert professional with high academic qualifications and having a genuine love for teaching profession. The Students can expect to receive an education that is of contemporary relevance to their respective field of study. The College has an efficient and highly qualified band of Lecturers who are ready to walk an extra mile along. Individual attention to each student is ensured to provide essential personal development and academic excellence.

↪ **24*7 Total Security & CCTV Surveillance**

The College has 24*7 Security Personnel to ensure safety and security of the Students. In addition to this, there is a CCTV camera system that is installed in the whole of the campus and in the lecture halls that provides surveillance of the entire College. Security cameras are the cornerstone of any professional surveillance system. Thus, the management has taken extra precautions to ascertain that our Students are well protected and safeguarded.

↪ **Bibliotheca and E-Learning Resources**

'Library is not a luxury; it is the necessity of life' – Henry Ward Beecher. A reader lives a thousand lives before he dies; the person who never reads lives only once. To nourish the desire of the Students to gain more knowledge and wisdom, Darshan College has a huge library with a great collection of books on various disciplines. The Students are encouraged to go to the library to have a deeper understanding of the subject. There is also e-learning facility in order to cater to the Students' growing yearning for information.

↪ **Grand Seminar Hall and Huge Auditorium**

Auditoriums are constantly evolving and are becoming multi-purpose. Darshan College has a Seminar Hall where in various events and activities are regularly held on weekly basis. The College also has a huge Auditorium with a seating capacity for 700 people. Various Conferences, National and International Level Seminars and Symposiums are organized here. It is acoustically designed with effective HD Sound system and LCD projector.

➤ **Hostel Facilities for Boys and Girls**

In view of creating a homely atmosphere and help students who come from distant places, the college provides excellent hostel facilities. Both boys and girls have separate hostels. This should make the education process of students hassle-free. The rooms are self-contained and have good ventilation. If need be, option is also given to have a shared room. The hostel is in the campus of the college itself, with a college canteen which further adds to the convenience of the Students.

➤ **College Canteen**

Within the premises of the College there is the Canteen to cater food to the Students. The Canteen is open for the day Scholars as well for those residing in the hostel.

➤ **Special Music Classes**

'Music is the voice of the Soul'. To boost the talents of Students in music, the College also provides music classes to those interested. Guitar, Key-board and Drums classes are taken by professionals to the Students who enrol themselves for the same. An opportunity is also given to the Students to perform and express their musical talent during various events held in the college.

➤ **Prayer Hall**

In our ardent desire towards holistic development of individuals, the college provides a serene and calm atmosphere to those who wish to spend some time in silence, reflection and prayer. The prayer hall is elegantly designed and wears a heavenly look to raise the mind and heart of a person.

About Capuchin Franciscan Fathers

St Francis of Assisi, founder of the Franciscan Order was born at Assisi, Italy in 1181. Francis enjoyed a very rich life growing up because of his father's wealth and the permissiveness of the times. From the beginning everyone loved Francis. He was constantly happy, charming and a born leader.

One day while riding through the countryside, Francis, the man who loved beauty, who was so picky about food, who hated deformity, came face to face with a leper. Repelled by the appearance and the smell of the leper, Francis nevertheless jumped down from his horse and kissed the hand of the leper. When his kiss of peace was returned, Francis was filled with joy. That was his conversion. He left everything and followed his Master Jesus Christ, in total poverty and humility. He imitated Christ so closely, that he received the five wounds of Jesus (stigmata) on his body.

He died on October 4, 1226 at the age of 45. Francis is considered the founder of all Franciscan orders and the patron saint of ecologists and merchants. St Anthony of Padua, St Bonaventure, St Pio of Pietrelcina are some of the prominent saints of the Franciscan order.

The Order of Friars Minor Capuchin (OFM Cap.) is an order of friars in the Catholic Church, among the chief offshoots of the Franciscans. St Francis of Assisi, the Universal patron of ecology, who founded the order in the 12th Century, referred to his followers as "Fratricelli", meaning "Little Brothers". Franciscan brothers are informally called friars. From its first century can be cited a number of great scholars like Alexander of Hales, Bonaventure, John Duns Scotus, Roger Bacon, and the well-known mystic authors and popular preachers David of Augsburg and Berthold of Regensburg. There are around 11000 capuchin friars serving God and people in more than 110 countries of the world. In India, the number of capuchins is around 2000. The capuchins belonging to Karnataka Province numbering around 300, are engaged in spiritual animation, social work, Primary, Secondary and Higher Secondary education all over Karnataka, North Eastern States of India, Sri-Lanka, Japan and in Uganda.

THE PEACE PRAYER

Lord, make me an instrument of your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O Divine Master,
Grant that I may not so much seek
To be consoled as to console;
To be understood, as to understand;
To be loved, as to love.
For it is in giving that we receive,
It is in pardoning that we are pardoned,
And it is in dying that we are born to Eternal Life
