Respected Sir,

Subject: Inclusion of Computer Assembly and Repairs as SEC for 4th Sem BCA instead of AI

With reference to the above subject I would like to bring to your notice that as per the curriculum feedback by the stakeholders I have a request to you to direct the concerned authorities to include Computer Assembly and Repairs (CAR) as SEC for 4th Sem BCA students instead of AI. BCA students already have Artificial Intelligence as the core paper in 5th Semester. CAR subject would give a practical hardware knowledge regarding assembly and repairs of computer. Awaiting your positive response.
